

m/s Matina

Classic Cruises in the Greek islands

Built in 2000, Matina had a complete refit in 2004. In 2008 her saloon was upgraded and her accommodation layout was reconstructed to include 8 cabins for up to 18 guests. With her sail area of 1.500 sq. meters, Matina has an incredible sailing performance and is extremely stable with her wide beam of 9.40 meters.

The main saloon adjacent to the galley area is of traditional design with rich mahogany panelling, where a group of 18 may dine in style around a teak dining table. All the features of a luxury motor sailer are included in an ample main saloon. All the interior spaces provide a friendly atmosphere as its warm mahogany colours make one feel at home.

A U shaped extremely spacious seating area on the aft deck is ideal for simply relaxing with a nice book, sunbathing or cocktails. The Matina is also ideal for entertaining friends and associates with a banquet or cocktail reception.

The eight luxury staterooms beautifully finished throughout all have a double and a single bed suitable for up to 3 guests. Each is fully air-conditioned, with a large private en suite bathroom, radio/CD player, safebox and adequate drawer storage. Each cabin is well ventilated as well as opening portholes and hatches.

Twin cabin

This classic motorsailer can accommodate up to 18 guests in 8 cabins, with a crew of 5, cruising speed of 11 knots, fuel consumption of 140 lt/hr.
