CHEF NAIME UMRAN GULERAY

Hello dear guest,

I was born in Istanbul in 1959. I spent my childhood in Beyoğlu, one of the most beautiful districts of Istanbul. My interest in cooking started in those years. Luckily for my Black Sea origin, my love for the sea and nature comes from my family. We used to spend most of our time on the most beautiful seashores of Turkey. After completing my education, my business career started early. Thanks to my work discipline and my character who always seeks perfection, I have always had the chance to move forward. I have experiences as a chef and sous chef in 5 star hotels such as Cyprus Acapulco, İstanbul Movenpick, Marmaris Julien in my career. I am quite competent in global cuisine but I am a master in Turkish and Italian cuisine. In my spare time I enjoy painting, hiking, listening to music and swimming. Now, with all my energy and more than 10 years of professional experience, I am happy to continue to do what I love. I look forward to welcoming you, our valued guests, in Queen of Datca. Sincerely.
