HIGHLIGHTS

HYDRAULIC PLATFORM, WATER MAKER, GYROSCOPIC STABILISER AND ELECTRICALLY OPERATED HARDTOP ON THE FLYBRIDGE.

THIS YACHT GIVES YOU THE SPACE OF AN 80-FOOTER IN A 62-FOOT HULL.,

This is not a typical flybridge yacht it's a compact explorer yacht with the layout and stability of something twice the size. This yacht gives you the space of an 80-footer in a 62-foot hull.

SUNSET LUXURY ON EVERY DECK AND SEAMLESS INDOOR-OUTDOOR LIVING

The spacious flybridge and sundeck offer around 60 m² of outdoor living, complemented by a large cockpit dining and lounge area. The entire exterior layout is designed for relaxed living and entertaining. With endless sunset views.

360° CONNECTION WITH THE SEA

The Explorer 62 offers a seamless 360° connection with the sea, thanks to its full-height windows and open, airy design. Wherever you are on board, you're constantly surrounded by natural light and uninterrupted views of the water.

WHERE COMFORT MEETS THE HORIZON

Quiet luxury inside, endless views outside, a perfect retreat. 180° panoramic visibility through one-piece glass.

ELEGANT COMFORT FOR SIX

Designed for six, each cabin offers a bright, airy atmosphere, generous storage. The panoramic views, making every night on board feel like a private luxury oasis.

LUXURY IN EVERY BATHROOM

Three luxurious bathrooms, designed for comfort and privacy
