# DESCRIPTION

**The Leopard 43 Powercat "Pauline"** is a motor catamaran designed for effortless enjoyment at sea. Its wide bow and flybridge are perfect for sunbathing, relaxing, or spending quality time with friends and family, while the sun pads invite you to simply unwind and enjoy the views.

**Inside, everything is designed for comfort:** spacious cabins, a fully equipped galley, a bright salon, and practical bathrooms. Thanks to its stable catamaran design, sailing is smooth and comfortable, even on longer journeys.

With powerful engines and good autonomy, Pauline lets you explore coves, islands, or anchor wherever you wish without worries. It also features modern technology, including navigation systems, solar panels, and a watermaker, making your trip both comfortable and fun.

*Pauline is a space to relax, enjoy, and create unforgettable memories at sea.*

# AYOUT

## Leisure & Comfort on board

### Boat Dimensions

- Overall length: 13.00 m
- Beam: 6.72 m
- Draft: 0.94 m
- Fuel tank: ~1,000 L
- Freshwater tank: ~780 L

### Interior Layout

- 3 cabins in total:
  - 1 Owner's Suite: occupies an entire hull, with ample space, double bed, dressing area, and private bathroom
  - 2 double cabins in the opposite hull, bright and well-ventilated
  - 3 full bathrooms with separate shower
- Spacious, modern salon with L-shaped sofa and panoramic windows
- Fully equipped galley at the front of the salon, with direct access to the exterior.

### Exterior and Deck

- Large flybridge with helm station, seating, sunbathing area, and space to enjoy navigation
- Comfortable aft cockpit, connected to the salon through sliding glass doors that unify both spaces
- Wide walkways and spacious bow, perfect for relaxing and safe maneuvering

### Performance and Navigation

- Stable, fast, and efficient motor catamaran
- Equipped with twin diesel engines for comfortable cruising and low fuel consumption
- Excellent maneuverability in port thanks to twin engines and hull separation

### Comfort and Equipment

- Complete electrical system: generator, inverter, and solar panels
- Modern navigation electronics (Raymarine)
- Watermaker (desalination system), air conditioning
- Fully equipped galley (TV, microwave, washer/dryer...)
- Electric barbecue for onboard grilling
- Underwater lights and aft deck shower
