

18. Swim Ladder and bathing platform

Yacht is equipped with a transom (bathing platform) that also usage as a transom/helm seat when the transom is closed. There is a removable swim ladder that is stowed in the cockpit locker. While under sail, the transom should remain closed and secure. After you have gotten to your anchorage feel free to deploy the transom for easy access to your dinghy, swimming or snorkeling. There is a lanyard attached to the swim ladder that enables you to secure the ladder while in use. Always use the safety lanyard while using the swim ladder to prevent losing the ladder overboard.

Attention: Keep the platform closed while sailing, as well as in the anchor, when a high wave hits the platform. Otherwise, the platform would be damaged.
