ALIMOS MARINA (KALAMAKI)

Charter village Box A24

ARRIVAL IN ATHENS

Alimos Marina is located South West of Athens 15km from the city centre, 8km South of Piraeus port and 30km from El. Venizelos International Airport. It is served by a dense transportation network of Trams, Buses & Taxis, with stations 500 meters from the Marina.

Opposite of the marina you can find super markets you can take provisions from. Restaurants & coffee shops at a walking distance from your yacht, within the marina.

There is a bus & taxi connection with Piraeus and Athens Airport (El. Venizelos Airport).

PUBLIC TRANSPORT

If you are considering using public transportation, you can take the shuttle bus X96 right outside the airport. Before going into the bus you would have to purchase your bus ticket from ticket counters you will find outside the airport then please make sure you validate the ticket in the automatic machine inside the bus. The bus stop you want to get off lies outside Alimos Marina and is named "EDEM" - feel free to ask the driver to notify you when you reach bus stop "EDEM" so you won't miss it.

BY TAXI

If you are heading to Alimos marina straight from Athens Airport then the easiest way to do so is by Taxi. You will easily find taxis queuing at the designated space in Athens Airport (El. Venizelos), yet if you face any difficulty finding one feel free to contact our Base Manager for assistance. Simply ask the driver to take you to "ALIMOS MARINA-KALAMAKI" then once in the marina, to drop you off at the beginning of pier number 7. Should you require assistance, do not hesitate to have the driver contact our base manager so they may instruct him accordingly. Taxis in Greece are considered reasonably priced and the estimated cost of your route (not a pre-reserved taxi) is approx. €60 per taxi (max 4 persons - ideally 3 per taxi). Distance of Alimos Marina (Kalamaki) from Athens Airport is 30km, a 35-50min drive, depending on traffic.

PRIVATE TRANSFER

Larger groups of sailors usually find a group transfer by minibus more convenient, whilst others may prefer a private transfer instead of a com-mon taxi. Should you require a Private Transfer, feel free to let us know in advance and we will provide you with quotes from reliable transfer service providers. Please have in mind that the transfer cost will be slightly higher as the drivers also calculate the ride towards the pick-up location as well as any potential delay and whether a night time tariff applies.
